

**To all the Special Boys and Girls attending Prep Class 5B:**

My name is Mrs. Henning. I will be your guide as we explore the rosary, sacraments and parts of the Mass. In our sessions I will use games, music, storytelling, signs and symbols. I hope to provide an environment where you will learn to speak with Jesus just like you speak to your friends now.

Thank you in advance for attending our Wednesday night, I understand you have spent all day in a class room learning and I will be praying for each one of you as we tackle together a new way of learning.

There will be a prayer table set up in the classroom for any special religious object you would like to share with the class.

**Classroom rules:**

*#1 – Everyone is treated with respect and fairness*

I will always treat  
my classmates with  
respect.

*#2 – Raise your hand to talk because everyone has a right to be heard*

As our journey begins, I look forward to meeting each one of you.

God Bless you all!  
Mrs. Henning
