

Dear 5Su students,

My name is Mrs. Beaver and I am excited to be your PREP teacher this year! Our focus in class will be to learn even more about the sacraments & Mass. We will have a prayer table in our class this year so think about anything you might like to bring from home to add. We will also keep a prayer basket so everyone in the class can add your special intentions to their daily prayers. I'm looking forward to working with you as we all have fun and grow closer in our relationship with God throughout the year. We are very fortunate to also have Mrs. Garcia working with us this year in our PREP class.

This is my seventh year teaching PREP, but not teaching! I taught elementary school for 9 years before deciding to stay home with my children. I have enjoyed being back in a classroom setting after many years away! My husband and I have 3 children: Julia (16), Jessica (14) and Matthew (11). We also have a dog, Cookie, who we rescued as a puppy six years ago.

I hope you have had a great start to your school year. I'm eager to meet and learn about each one of you. I'll keep you in my prayers this year!

See you on September 10th!

God Bless,

Mrs. Eileen Beaver & Mrs. Ingrid Garcia
