

Dear level K PREP families,

Hello, and welcome to level K. My name is Maura Coleman and I will be your teacher this year. I am in 11th Grade at North Penn High School and this is my third year teaching Sunday school. The main focus of the year will be getting to know God and how he loves us. We will be discussing the story of creation, learning about saints, learning the Our Father and Hail Mary prayers, and a little bit about the life of Jesus. I can't wait to meet all of you on the first day of class and I'm praying for you. See you soon.

Sincerely, Maura Coleman
