Hello Pre-school families!

My name is Karolina Pienkowska and I'm a 9th grade student at Penndale Middle School.

Last year was my first year teaching Pre-school PREP and I had a great experience, so I decided to continue with this ministry. I really look forward to teaching your children this year and helping them get a better understanding of God and our Catholic faith.

Let me tell you a little bit about myself. As I mentioned, I'm in 9th grade and along with being in school, I like to stay active. I enjoy gymnastics, skiing, and rock climbing. I've also been playing violin for about 10 years, and I am a member of the orchestra at my school as well as another group called Sinfonia. I really enjoy playing and traveling for concerts with my musician friends. When I'm off from school and sports, I always visit Canada for the summers and sometimes the winter. I not only have family there, but I was born there, so I always love to visit places that are special to me. Even though I was born in Canada, I am 100% Polish. Both of my parents were born there and later immigrated to Canada. We moved here to Lansdale about 10 years ago and are really enjoying this community. On Saturday mornings during the school year, I go to a Polish language school to keep learning about my heritage as well as improving my Polish language skills.

To keep my faith growing, I go to youth group and participate in retreats and different service projects.

I'm sure we are going to have a great year and will learn about different seasons in the year of the Church, and we'll discover how God is all around us and always wants to live in us.

Looking forward to meeting you and your families!

God Bless you,
Karolina Pienkowska
