

August 30, 2024

Dear Boys and Girls,

WOW!!! You are in the Level 1 PREP class now! This year we will learn about Jesus...how much he loves us and how he will help us if we just ask him.

My name is Anne Albright, and I will be your teacher. I love dogs and have one named Waldo. Waldo is a little white dog who no one wanted, and I took him. There will also be a helper in our classroom. We are looking for someone to fill this opening. My aide will help you if you cannot find a page in your book or if you have a question.

Your workbook will be called *Christ Our Life* and has puzzles and games in it to help you learn while having fun. Also, I will have you take turns "teaching" the class. You will see how it feels to be a teacher. Won't that be fun!!

So that we can all get to know each other on the first day, bring a story to share about a fun thing you did this summer to make us all laugh. Our first day is Wednesday, September 11.

See you then...

Anne Albright ("Ms. Anne")
PREP Teacher
Level 1
