

August 30, 2024

Dear Class 6ASu PREP Students!

We would like to take this opportunity to welcome you to your class in the PREP program and introduce ourselves. My name is Peter Kraynak... I will be your child's Catechist this year and my assistant will be Kristen Stocklos. Both of us have been in the St. Stanislaus community for a long time and have been in the role of teaching in one form or another over the years. We very much enjoy teaching and the process of guiding youth in our community as they develop in their faith lives.

We are very excited about what is shaping up to be a wonderful year in the PREP program – with our fingers crossed that our society continues to stay on track with the normal and good public health. Let us thank the Lord for the blessing of being in person together and pray purposefully for the elderly in our lives and around the world.

This year we will be delving into the Old Testament, and at the same time we will be working on our experience in the Faith and looking to practice that in the spiritual opportunities that often open up right in front of our eyes. We would like to teach you a small but powerful prayer that I once created for my children a long time ago – which can help us in our awareness and responsiveness to God's presence within our lives during those every day moments...

Holy Spirit God, please strengthen me to create  
the right being, thinking, and doing at this time.

We are looking forward to seeing you in our first session together on September 15 and would like to invite your parents to call me or email with any questions that you or they may have. My mobile number is 215.479.0724 and my email address is [peter.kraynak@info724.com](mailto:peter.kraynak@info724.com). Thank you and God Bless You and Your Families.

Sincerely,

Mr. Peter Kraynak  
Catechist for the PREP Program  
St. Stanislaus Parish Religious Education
