Hello!

We are so excited to have you as a member of the Sunday 1B Prep Class. We cannot wait to meet you and your families and are looking forward to the fun we will have together.

Let us tell you a little about ourselves. My name is Mrs. Champagne, or you can call me Mrs. C. I will be your teacher every other Sunday. This is my second year teaching the first level class. I used to substitute many years ago when my children were in St. Stan's PREP program. I have three adult children who all received their sacraments at St. Stan's. In fact, one of them will be assisting me with your class. Her name is Audrey and you can call her Miss Audrey. She just graduated from college and is a Speech Teacher. This will be her first year assisting and she cannot wait to meet you and join the fun!

We have so much to teach you about God and Jesus' love for you. We will listen to stories, do projects, play games and every class will have a special word of the day. You will learn so much and by the end of the year you will have learned four different prayers!

We will see you on September 15th and hope to learn all about you, so please bring your smiles and some stories about your summer that you want to share. We will provide all the supplies you will need.

God Bless You!

Mrs. Champagne and Miss Audrey
