

# WORKS OF CHARITY GUIDELINES

*Serving others through Works of Charity / Mercy is rooted in our faith in Jesus and flows from the grace of God. As part of our Christian duty of life-long service to others, following in Jesus' footsteps, each candidate is asked to complete four (4) **different** Works of Charity as part of his/her journey to Confirmation.*

- † Time incurred for each Work of Charity must be a *minimum* of 2 hours of your time. Time may be *accumulated over more than one day* (e.g., if you mow an elderly neighbor's lawn and it only takes 1 hour, mowing at least twice will count as one Work of Charity.) Alternatively, helping with Vacation Bible School is considered one Work of Charity even though it involves more than the 2 hour minimum.
- † The Work of Charity should be performed for an individual or a group other than your immediate family. (*Immediate family includes parents, siblings, grandparents, aunts and uncles and cousins.*)
- † Works of Charity completed in conjunction with scouts, your school or other organizations **may be counted** if they follow these guidelines.
- † The individual responsible for the program, under whose guidance you are working, must sign the Works of Charity Reflection Form. *They may sign it before you fill out the reflection portion, so bring it with you to the event.*

**Thank you in advance for your service to others through these Works of Charity. Your efforts will not go unnoticed and you will be an angel to those you help! May God's peace be with you as you serve as the hands and feet of Jesus.**
