“The definitive aim of catechesis is to put people not only in touch but in communion, in intimacy, with Jesus Christ: only He can lead us to the love of the Father in the Spirit and make us share in the life of the Holy Trinity.” (St. John Paul II)

MISSION STATEMENT

The St. Stanislaus Parish Religious Education Program (PREP) is a teaching ministry that witnesses to the children of our Parish who attend area public and non-Catholic private schools what it means to be a Catholic Christian in the 21st Century.

Religious Education is not a product to be consumed; it is a process in which to become involved. Religious education cannot be provided for families; *it can only be created with them*. The most effective religious education occurs within the family setting and our Parish Religious Education Program is here to support parents and guardians in their role as their children's primary religious educators.

We believe that the family is the visible model of the Church and through its everyday events children learn the meaning of belonging, forgiving, and serving. The love within the family forms the basis for the child's understanding of who God is as Father, Son, and Spirit. It is the responsibility of the Parish community to build on that understanding so that all members of a family may mature in a faith that is not only celebrated in the local Church but extends beyond to an understanding of the Universal Church and their place in it.

It is our hope and prayer that together as parents, catechists, and assistants, we will continue to awaken and nourish the gift of faith that each child was given at his/her Baptism.

PARENTS and PREP TOGETHER

Teachers in our PREP Program are called CATECHISTS. A Catechist is “one who echoes the Word of God.” All of our Catechists and Classroom Assistants are volunteers who share their time and talents for the benefit of our Parish children. Please support them in this work with your prayers and cooperation.

Our Catechists supplement, in a more formal way, the faith education that occurs informally in your home. Parents of children in our religious education program are encouraged to be supportive of our Catechists' efforts and our Program in the following ways:

 **Attend Mass on Sundays and Holy Days and receive the Sacraments.**

- Read the Bible as a family.
- Teach your child to pray in his/her own words as well as to learn the traditional prayers of our faith.
- Show interest in what your child is doing in PREP class each week. Check his/her PREP folder for communication from the Catechist or Program Director after each class.
- Help your child to be conscientious about completing assignments that may be sent home to extend the teaching from class where further clarification may be needed.

- Join your child by participating in service projects or workshops that may be offered in his/her class.

The example you set is invaluable to our efforts in the classroom.

ACCESS AND INCLUSION

“Catechesis describes the essential ministry of the (Catholic) Church through which the teachings of Christ have been passed on to believers throughout the ages...Catechesis is an education in the faith of children, young people and adults which includes the teaching of Christian doctrine” of the Roman Catholic Church. (National Directory for Catechesis, no. 1, United States Conference of Catholic Bishops) Keeping in mind that all the baptized have a right to catechesis, every person, however limited, is capable of growth in holiness (General Directory for Catechesis, no. 189). Catechetical and sacramental programs are inclusive of parishioners with disabilities and may need to be adapted for some parishioners with disabilities.

Our Parish Religious Education Program (PREP) provides classes for children of all abilities. Children with developmental, intellectual, sensory, physical or behavioral disabilities are welcome and encouraged to attend our PREP classes.

Each student who enters our program is required to be registered by his/her parent or legal guardian. Registration is done electronically through Parish Giving. The link may be found on the Parish website.

A **Baptismal Certificate** is required for children who have been baptized at other parishes. In addition, if a child has received other sacraments at another parish, we will also need a copy of those certificates, too. (*e.g., First Communion*)

Families of children **who have not received the Sacrament of Baptism in the Catholic Church or whose children have never been baptized** should contact the Program Director to discuss an appropriate formation plan to welcome your child into the Catholic Church.

Re-registration for returning families usually begins in April. Families will receive an email from Parish Giving to complete the re-registration process.

St. Stanislaus PREP offers classes in person weekly on Wednesday evenings and bi-weekly on Sunday mornings, with a home component added for the Sunday session. Home-Based PREP is also an option. See page 12 for additional details regarding the Home-Based PREP option.

FINANCIAL POLICY

Tuition is set each spring by the Parish Finance Committee for the upcoming session year.

Full payment of tuition is expected at the time of registration. Arrangements may be made for alternate payment plans by contacting the Program Director.

No student will be denied acceptance into the program because of his/her family's inability to pay. A confidential inquiry may be made to the Pastor or the Program Director.

ATTENDANCE/CLASSROOM PRACTICES

Faith formation received in the program is ongoing in that each session builds on the previous session; therefore, *it is imperative for the children to complete the lessons at home when a session is missed*. The syllabus for each class may be accessed on the parish website, and a copy is also included in each child's folder. If you move to another parish and enroll your child in their religious education program, we will be asked to verify your child's satisfactory participation in our PREP Program.

If your child is unable to attend a session for any reason, please contact us to report the absence via the *Remind App* or by email stansprep@yahoo.com. Please be sure to include your child's name and grade level when leaving a message.

- **If there is any question as to whether your child is feeling “well”, please keep him/her home.** *The lessons may be completed at home.*
 - Parents are asked to monitor their child/children for COVID-19 symptoms, which include:
 - fever ▪ chills ▪ cough ▪ shortness of breath ▪ loss of taste or smell ▪ body aches ▪ severe tiredness ▪ nausea ▪ vomiting ▪ diarrhea ▪ sore throat ▪ runny nose
- **COVID-19 related absences**
 - If a child is absent due to having the Covid virus or because of exposure to it, please contact the PREP office to determine when your child may return to class based upon the CDC recommendations in place at that time, which could vary based upon the child's vaccination status.
- Extended absences due to other illness require a doctor's note upon return to class. In addition, parents should be in regular contact with their child's Catechist in an effort to keep their child's formation up to date when possible.

GENERAL SAFETY PRACTICES DURING PREP SESSIONS (Wednesday and Sunday)

- Prior to coming to PREP, all students are asked to wash their hands and use the bathroom at home. Bathroom usage during PREP will be permitted on an as needed basis. Since we are only here for a limited amount of time and we want to minimize movement for everyone's safety, the students will not have a scheduled bathroom break.
- Wearing of masks is optional.
- **We will provide a squirt of hand sanitizer to each student as they enter the building.**
- Each student will be assigned a seat in the classroom for the duration of the year to help limit cross contamination with the day school students. Each student will receive his/her own storage bag to safely keep all necessary class supplies. The storage bags and all regular classroom supplies will be provided by PREP. The bags will remain in the school. We will keep them in classroom storage bins in between the PREP sessions. The supply bags will follow the students throughout their time in our PREP program. Replacement of worn out supplies and bags will be provided as needed.
- Desks will be cleaned on a regular basis.
- Food is not permitted to be eaten in the classrooms. The water fountains are open. A reusable or disposable water bottle may be brought to PREP on warm days if you do not want your child to use the water fountain. *(water only, please!)*

The **WEDNESDAY PREP** session is scheduled to be held weekly, in person, in the classrooms.

- The syllabus for each class will be in the children’s folders to assist parents in discussing the lessons with their child/children and to work with them from home in the case of an absence. We will also send home a link to the lesson plan information on Loyola Press’s website to assist you in completing the work at home with your child.
 - The online “Interactive Chapter Review” must be submitted to the Program Director for the work completed at home for the absent sessions for students in Levels 1-6. The results for this review should be emailed to ststanslr@gmail.com.

The **SUNDAY PREP** session is a blend of “in class” and “at home” catechesis.

- The syllabus for each class will be in the children’s folders. The lesson plan information for the “at home” catechesis portion of the Program for grade levels K-6 will be accessed on Loyola’s website. Levels 7 will receive hard copies of the lesson plan information at each class.
- When a child misses an “in class” session, the parent is responsible for covering the missed chapter at home, along with the following week’s “at home” lesson, before the child returns to the classroom. Please contact the Program Director and/or catechist for the missed lesson information for any supplemental materials referenced on the syllabus.
 - For students in Levels 1-6, for both the “at home” lessons and any missed sessions completed at home, the online “Interactive Chapter Reviews” must be submitted to the catechist in a timely manner. The email address to be used for submission of the “Interactive Chapter Review” will be provided at the start of the PREP year. **They will be unique to each class.**

Since material is presented in developmental sequence, children may not arbitrarily skip grade levels. If a child who is baptized enters the program with little, if any, formal religious education, or returns to the program after skipping several grade levels, he/she may not be placed in the same grade that they are in at school. These special circumstances will require a family meeting with the Program Director to determine the best placement for the child.

ARRIVAL & DISMISSAL

Students should be dropped off in the back parking lot of Mater Dei Catholic School and enter through the designated doors. Please use caution when driving through the parking lot to ensure the safety of all students and parents who are walking to/from their cars and the building. A drop-off car lane is provided at the back of the school on Wednesday evenings with a safe walking zone. You are encouraged to use the drop-off car lane when bringing your child/children to class.

****Parents are permitted to enter the building during the arrival time on Wednesday evenings and should sign in on arrival. The sign-in sheet for the Sunday parents will be in the classroom with Deacon Tony.**

Arrival:

Each student is expected to arrive in his/her classroom at least 5 minutes before the start of the PREP session so that the sessions may begin promptly at the designated start times. *(The session start times are 6:45p.m. on Wednesdays and 10:15a.m. on Sundays.)*

- The doors will open at 6:30pm on Wednesday and 10:00am on Sunday to allow time for a staggered arrival.

- The school will be locked during the session times. Students arriving more than five minutes late will be required to sign in on arrival, and the arrival time will be noted. Chronic lateness may require a conference with a parent as it is disruptive to the class.
- The parent group for the Sunday session will meet in a classroom on the upper floor or in the cafeteria.

Dismissal:

WEDNESDAY PREP Sessions:

A parent or guardian is required to pick up his/her child/children inside the gym at the end of each PREP session.

- Dismissal time will be at 8:00pm.
- Parents will be permitted to enter the gym beginning at 7:55pm.
 - **Enter the gym through the ramp door.**

SUNDAY PREP Sessions:

A parent or guardian is required to pick up his/her child/children at the end of each PREP session, usually in the gym.

- Dismissal time will be at 11:30am.
 - **Parents who are not able to stay for some sessions for the parent group may enter the school through the ramp entrance door to the gym at 11:25am.**

If your child needs to be excused prior to the end of a PREP session, (e.g. doctor appointment) please send in a written note to be given to the child’s teacher. Your child will meet you at the center, double doors in the back of the school at the requested time.

NON-CUSTODIAL PARENTS

It is the responsibility of both parents to provide the PREP office with the latest, most up to date Custodial Order or Custody Agreement. If either the Custodial Order or Custody Agreement changes during the course of the year, it remains the responsibility of both parents to immediately provide that document to the PREP office.

Our Program abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, if requested, our Program will provide the non-custodial parent with access to the records and other Program related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the Program Director with an official and most recent copy of the court order.

If a court prohibits our releasing a child into the custody of a non-custodial parent, it is the responsibility of the custodial parent to provide the Program Director with an official copy of the court order or custody section of the divorce decree.

CONDUCT

The Parish Religious Education Program offered by St. Stanislaus Parish is designed to **assist** parents with the faith formation of their children, as well as foster values and behavior that are in accord with the teachings of the Catholic Church. The Program has **NO TOLERANCE** for behaviors that are contrary to Catholic faith and morals, including but not limited to ongoing acts of obstinacy, improper language, fighting, physical, emotional or psychological intimidation, vandalism, demeaning behavior such as name-calling, obscene language or

gestures, and harassment. Such behaviors violate the central teaching of our faith and will not be tolerated in any form. These categories do not cover every possible situation.

Conduct by children or parents/guardians, or anyone acting on their behalf, incompatible with the educational and religious mission of the PREP program is grounds for disciplinary action, including but not limited to immediate dismissal of the student, as well as reporting the incident to the appropriate legal authorities where appropriate.

In addition, in the case of threats of violence or harassment, in any form, including oral, written, or electronic, by a child against any member of the PREP or Mater Dei Catholic School community, the child, if suspended but not dismissed, may be required to have psychological or psychiatric clearance before returning to the Program.

DISCIPLINARY POLICY

In the event a participant engages in any of the above listed behaviors or any other inappropriate conduct, and has failed to respond to a Catechist's attempts to stop or correct the behavior, the following actions *may be taken at the discretion of the Pastor or Program Director*:

- **First Incident:** The Catechist will bring the situation to the attention of the Program Director. Possible corrective actions will be discussed, including a meeting of the student with the Program Director.
- **Second Incident:** The student will be removed from the session, and the parent or guardian will be notified by phone by the Program Director. The Program Director will schedule a conference with the parents/guardians and student to discuss the matter.
- **Third Incident:** The student will be removed from the session and be suspended from the program for a period of one session. The parents/guardians will be immediately notified by the Program Director and will be required to pick up their child. Prior to returning to the program, the Program Director will schedule a conference with the parents, student and Catechist to further discuss the matter. Future incidences of the same nature could result in dismissal from the "in class" Program, with possible consideration for the Home School Program.

However, St. Stanislaus Parish reserves the right to supersede the forgoing courses of action depending on the circumstances of a given situation.

CELL PHONES & OTHER ELECTRONIC DEVICES

While we realize that cell phones have become a necessary tool in keeping communication open between parents and children, it is the policy of this Program that such devices should not be brought to catechetical sessions. If it is necessary for a student to bring a cell phone to the Program, the student must keep the device turned off during the session and it must be kept in a backpack, purse or pocket.

- If the student is found to be using a cell phone during class, the Catechist has the right to keep the phone at his/her desk until the end of the session. All other electronic devices (e.g., ipods, ipads, etc.) must be left at home. The St. Stanislaus Parish PREP Program is not responsible for any of the devices that are brought into the building.
- Students are not permitted to take photographs or videos of themselves or others while in the school building or on school property.

CONTRABAND

BRINGING CONTRABAND TO PROGRAM SESSIONS IS STRICTLY PROHIBITED AND WILL BE CONFISCATED AND RETURNED TO PARENTS ONLY! Depending on the contraband confiscated, the proper legal authorities will be notified.

- Items considered contraband include, but are not limited to weapons, drugs, alcohol and tobacco products.
- It is unlawful for minors to be in possession of these items. Participants found to be in possession of such products may be immediately suspended from the Program.

SEARCH & SEIZURE

It is the policy of St. Stanislaus's PREP Program to respect the privacy of its participants. However, in the event that a student is suspected of having weapons or drugs in his/her possession or is believed to be a threat to himself/herself or others, the Program Director will be notified immediately. The Program Director will conduct a search with an adult staff member as a witness. Refusal on the part of the student to cooperate will result in the parents/guardians being contacted and asked to assist with the search. Parental refusal to cooperate may result in the student's immediate dismissal from the Program.

PROTECTION OF YOUTH

Safe Environment - All priests and deacons, as well as Parish staff and volunteers who have regular contact with children must obtain the necessary clearances from the State of Pennsylvania and FBI fingerprints, if applicable, and attend Safe Environment training seminars provided by the Archdiocese of Philadelphia. This training provides a greater understanding to the adults in our Church on how they can be protectors of children and models of appropriate behavior and relationships. It teaches them to be advocates for those who are most vulnerable. More information on the requirements for volunteers may be found at: <http://chilyouthprotection.org/index.php/staff-volunteers/information-for-volunteers>.

In its effort to support parents in their responsibility to educate their children concerning personal safety, the Archdiocese provides grade appropriate personal safety lesson plans ("KidTalk") to all Parish Directors and Coordinators of Religious Education. St. Stanislaus's Parish PREP program will incorporate these lessons into the curriculum each year. Parents can check the general PREP calendar to see when these personal safety lessons will be taught to their child/children. Copies of these lesson plans are available in the PREP office or on the Archdiocesan website for parents to review in advance.

INCLEMENT WEATHER CANCELLATIONS

When we have inclement weather that is deemed unsafe for traveling, we will use the following procedures for the cancellation of PREP classes.

WEDNESDAY PREP Session:

If North Penn School District or Mater Dei Catholic School cancels classes or their evening activities due to the weather, we will also cancel class. The cancellation will be posted on the Parish website, and a text will be sent using the REMIND app. An email will also be sent to all families who have provided an email address to us.

If there is an emergency closing outside of the winter season, (and North Penn's classes and activities are NOT cancelled), a text will be sent on the REMIND app to alert families of the closure and an email will also be sent to the families with the necessary information. We will make every attempt to notify you as soon as such closing is decided.

SUNDAY PREP Session:

The Program Director will send an email and a text message via the REMIND app to all families by 8:00 a.m. if the weather conditions or other emergency require us to cancel class. The closing will also be posted on the Parish website (*power permitting*).

CURRICULUM

St. Stanislaus's Parish Religious Education Program follows the Scope & Sequence guidelines for religious education that are published by the Archdiocese of Philadelphia. All teaching materials are selected from the list of textbooks that have been approved by the United States Bishops.

HOMEWORK: Catechists will assign homework at their discretion to extend the lesson to help the students grasp the materials covered in class. Catechists have been asked to keep homework to a minimum. *For the Sunday PREP Session, the work assigned for the "off weeks" is not deemed to be Homework, but is the "home school lesson", in lieu of a full "in class" session, and should take 60 to 75 minutes to complete for each student.*

ASSESSMENTS: Mid-Year and Year-End Assessments, as provided by the Archdiocese of Philadelphia, will be made available online for students in Levels 1 through 6. Sufficient notice will be sent home by the Catechist to allow ample time for the student to prepare for the Assessments. A passing grade of 70% or higher is required. If a student does not receive a passing grade, he/she will be asked to retake all or part of the Assessment. The Assessment grades will be noted on the Progress Reports. The Catechists may also give chapter or unit tests at their discretion to help them assess the students' knowledge of the faith which will assist them in their lesson planning as well as to assign grades for each student regarding "Knowledge of the Faith" on the Progress Reports.

PROGRESS REPORTS: A Progress Report, prepared by the Catechists and reviewed by the Program Director for children in Level 1 through Level 7, will be distributed three times a year for the Wednesday PREP Session and twice a year for the Sunday PREP Session. Parents are asked to sign and return the Progress Reports for all but the final marking period.

COMMUNICATION

Parents are provided with a yearly calendar at the beginning of the program year. ***The calendars are subject to change during the course of the year.*** Parents will be notified of any changes as soon as they are known, and updated calendars will be distributed via email. The calendars are also posted on the Parish website.

The majority of communication will be done via email and also the *Remind App* where possible. Hard copies of correspondence will be provided on an as needed basis.

The Program Director may be contacted as follows: (215) 855-9893; leonar@ststanislaus.com. Direct communication with your child's Catechist is also an important component of the catechetical process. Parents are encouraged to contact their child's Catechist to discuss any concerns or share any information that will enhance the learning experience for their child.

SACRAMENT PREPARATION

Preparation for the reception of a sacrament is a time of prayerful reflection and discernment. A participant's desire to receive the sacrament is reflected in his or her positive attitude toward the preparation process. Proper attendance and behavior, (including during PREP, in Mass, and at meetings), are expected. Archdiocesan policy requires that a child receive the sacraments of initiation (Baptism, Eucharist and Confirmation) in the parish in which their family is registered. Exceptions may be made with special permission from the Pastor.

Parents are expected to follow St. Stanislaus's Parish policy with regard to the sacramental preparation and celebration with their children.

- Registration in the parish is required.
- Since sacramental catechesis requires more than classroom participation, it is important that families participate at Sunday Mass.

RECONCILIATION AND FIRST EUCHARIST

A minimum of two years of preparation in a formal religious education program is required for the reception of the sacraments of Reconciliation and Holy Eucharist. Guidelines put forth by the Archdiocese of Philadelphia concerning baptized children receiving sacraments for the first time specify that the Sacrament of Reconciliation be received prior to First Eucharist. At St. Stanislaus Parish the reception of the Sacraments of Reconciliation and First Eucharist are scheduled to occur in the second grade but may occur at any age beyond second grade.

The expectations for **children** preparing for the Sacraments of Reconciliation and First Eucharist are that the child:

- Be baptized
- Be participating **weekly** at Mass
- Have completed at least two consecutive years of formal religious instruction (including the preparation year in Level 2)
- Have a satisfactory class attendance record (includes lessons completed at home)
- Have an age-appropriate appreciation and understanding of the sacraments they are to receive

The expectations for **parents or guardians** who choose to have their children celebrate these sacraments are:

- Be registered in the parish
- Participate **weekly** at Mass
- Support the teachings of the Church
- Be involved in the child's preparation through attendance at meetings and other activities that surround the preparation for these sacraments
- Actively supervise the child's preparation through homework assignments, retreat day, and practicing for reception of the sacrament

CONFIRMATION

At St. Stanislaus Parish, candidates will generally be confirmed in the spring of 7th grade (Level 7). Preparation begins at the end of 6th grade (Level 6).

It is the expectation that a **Confirmation Candidate** will:

- Be Baptized
- Participate **weekly** at Sunday Mass
- Have a satisfactory class attendance record (includes lessons completed at home)
- Complete the Confirmation formation program, as provided in the “Red Folder” at the meeting in the second half of 6th grade (Level 6)

It is expected that the **parents or guardians** of the Confirmation Candidate will:

- Be registered with the parish
- Participate **weekly** at Sunday Mass
- Support the teachings of the Catholic Church
- Be involved in the preparation of their child for the sacrament by attending scheduled meetings, encouraging their child to come to class prepared, fostering a sense of the importance of this sacrament in their home during this preparation period, and guiding the candidate in the selection of a saint’s name and a sponsor.

The Confirmation **Sponsor** is to help the candidate throughout his/her life to fulfill the baptismal promises. **Sponsors** at Confirmation represent the believing Christian Community. The Code of Canon Law states they must lead, “a life in harmony with faith and the role to be undertaken and will help the baptized to lead a Christian life in harmony with Baptism, and to fulfill faithfully the obligations connected with it.” They are to support the confirmed person in their daily witness to Christ. The selection of a Sponsor for the Sacrament of Confirmation should be done with careful thought and consideration. The Church’s law for this Sacrament requires that a sponsor be:

- A Baptized Catholic
- A Confirmed Catholic
- A Practicing Catholic
- Age 16 or older (This person needs to be sufficiently mature for the responsibility being assumed. An older brother or sister may be a sponsor, provided he/she is mature in his/her personal spiritual development.)
- Married in the Catholic Church, if married

A father or mother of the child to be confirmed **cannot** be his/her sponsor.

A “practicing” Catholic means they are registered as a member of a parish and attend Mass on Sundays and Holy Days of Obligation and receive the Sacraments on a regular basis. The priest of the parish where the sponsor is registered is bound in conscience and in Canon Law to refuse to give a sponsor certificate to anyone lacking these requirements. Please consider the above requirements before asking someone to serve in this capacity. If any clarification is needed, please speak to the Pastor. Please do not put the priest in an awkward position by choosing an individual who does not meet these requirements.

Sponsor certificates are required of all sponsors.

SPECIAL SACRAMENT SITUATIONS

Students in third grade and above who are baptized in the Catholic Church, but who have not yet received the Sacraments of Reconciliation and/or First Eucharist, may enter a special Sacrament preparation program. This program emphasizes family involvement. It helps parents or guardians prepare their child for these sacraments. Please contact the Program Director for more details.

Students age 7 and older who have been baptized in another Christian faith are welcome to participate in our PREP program to prepare to come into Full Communion with the Catholic

Church. **Students age 7 and older who have never been baptized** in any Christian faith are welcome to prepare for reception into the Catholic Church. Please contact the Program Director to discuss and develop a sacrament preparation plan if either of these scenarios represent your personal situation.

HOME-BASED CATECHESIS

The U.S. Bishop's *National Directory for Catechesis* (the "NDC") states:

"As the primary educators of their children, parents have the right and the duty to choose the kind of educational environment that they determine best suits their children's educational needs."

It is also important to keep in mind that as "Church", we are a community of believers and ongoing involvement in parish life is an important element in faith formation and practice. Home schooled children are encouraged and welcomed to participate in group programs within PREP and the parish so that they are not isolated from the community. Again, the Bishops note:

"All parents have an obligation to involve their children in the life and mission of the church. Since their children are being initiated into the life of the Church, which is fundamentally realized in the local parish, parents who provide catechesis for their children in their homes should participate fully in the life of the local parish. They should celebrate the Sunday Eucharist in the local parish, involve themselves in its charitable works, and attend appropriate training and formation sessions the parish or diocese provides."

That being said, we require that the children participate in person for PREP rather than be home schooled in the years when they are to receive a sacrament (typically 2nd grade and 7th grade). First Communion is a communal sacrament in which we are all sharing in the Body and Blood of Christ. Confirmation prepares the students for full membership in the Church, which involves participation in the parish community. Requests for exceptions to this policy must be discussed with the Program Director.

The NDC also states, *"If Catholic parents choose to provide catechesis for the children in their home, that catechesis must be both complete and authentic...home-based catechesis of children is a cooperative effort between the children, their parents, parish leadership, and the diocesan bishop. Parents who choose to be...their catechists must adhere to all guidelines for catechists as outlined by the diocesan bishop."*

Families interested in home-based catechesis should contact the Program Director for additional information. All materials will be provided.

FINAL NOTE

The Program Director reserves the right to amend this handbook. In the event of any such amendment, parents will be given prompt notification of the changes made.
